ROCK SALT ICE MELTER 2020

Committed to providing innovative products with
proven sustainability combined with superior service

Lawrason's offers a wide range of Rock Salt, Ice Melter and accessory products to suit every need and budget.

ROCK SALT

ANCHOR ROCK SALT

ANCHOR ROCK SALT is an economical, simple but effective de-icing solution. Our blend of high-quality sodium chloride creates an effective ice melting solution, especially if applied before snowfall or freezing begins.

FEATURES & BENEFITS:

- Economical
- Pet Friendly
- Perfect De-icing Solution For Large Area Applications

AVAILABLE SIZES:

20 Kg Bag - CODE: S35063
Full Load Bulk *subject to availability

COMBAT ROCK SALT POWERED BY CALCIUM

COMBAT ROCK SALT is an economical de-icing solution. Our blend of high-quality sodium chloride along with the added benefits of calcium creates an effective ice melting product especially if applied before snowfall or freezing begins.

FEATURES & BENEFITS:

- Economical
- Contains Calcium
- 10 Kg Bag With Handle
- Perfect De-icing Solution For Large Area Applications

AVAILABLE SIZES:

10 Kg Bag - CODE: S35071
20 Kg Bag - CODE: S35068
40 Kg Bag - CODE: S35067

ICE MELTER

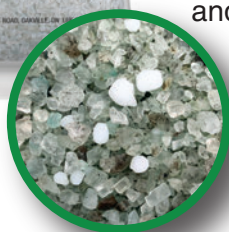

IMPACT ICE MELTER

IMPACT ICE MELTER is 100% natural and is made up a proprietary blend of Sodium, Magnesium Chloride and corrosion inhibiting additives.

It is a pet friendly economical product designed to outperform standard ice control product.

Dyed green and doubled screened for visibility and melts down to -25°C .

NEW FORMULA

FEATURES & BENEFITS:

- Fast Acting
- Pet Friendly
- Environmentally Friendly
- Melts Down To -25°C
- A Powerful, Economical Alternative
- Dyed Green For Visibility
- Double Screened For Better Spreading

AVAILABLE SIZES:

20 Kg Bag - CODE: S35075

ANCHOR PREMIUM ICE MELTER

ANCHOR PREMIUM ICE MELTER is unique blend of Magnesium Chloride, Calcium Chloride, Potassium Chloride and CMA make it a powerful deicing solution, melting down to temperatures of up to -31°C . Environmentally and pet friendly.

Its unique Purple colour provides high visibility when applied.

FEATURES & BENEFITS:

- Fast Acting
- Long Lasting
- Safe To Use On Concrete & Around Vegetation
- Environmentally Friendly
- Contains CMA
- Purple In Colour
- Melts Down To -31°C

AVAILABLE SIZES:

20 Kg Bag - CODE: S35062

VISION BLUE POWER ICE MELTER

VISION BLUE POWER reduces wear and tear on concrete and wood surfaces making it one of the best choices in Ice Melters.

Its formulation provides a superior, non tracking and easy to apply ice melting solution. Blue Power will not harm carpets and floors if used as directed.

Effective to -31°C, Blue Power also provides a high visibility when applied to ice and snow covered areas.

FEATURES & BENEFITS:

- Fast Acting
- Long Lasting
- Environmentally Friendly
- Safe To Use On Concrete & Wood Surfaces
- Contains Calcium
- Blue In Colour
- Melts Down To -31°C
- Contains CMA

AVAILABLE SIZES:

20 Kg Bag - CODE: S35069

DOWFLAKE XTRA CALCIUM CHLORIDE

CALCIUM CHLORIDE FLAKE 83-87%

DOWFLAKE XTRA, Calcium Chloride Flake 83.7%, is a higher concentration of calcium chloride and brings an even greater ice melting performance than other products containing calcium.

DOWFLAKE increases the products value by reducing handling, storage and transportation costs.

DOWFLAKE is also an excellent dust control product on unpaved surfaces giving it a multi season use.

FEATURES & BENEFITS:

- Fast Acting
- High Concentration
- Environmentally Friendly
- Safe To Use On Concrete
- White In Colour
- Melts Down To -31°C
- Perfect For Dust Control On Unpaved Surfaces

AVAILABLE SIZES:

20 Kg Bag - CODE: S35083

MAG PELLET

MAGNESIUM CHLORIDE PELLET

MAG® is a high performance ice melter that is safer for people, pets, concrete, and the environment. Melts down to -25°C.

FEATURES & BENEFITS:

- Fast Acting
- Pet Friendly
- Environmentally Friendly Safe To Use On Concrete
- Contains Magnesium
- Pellet Form
- White In Colour
- Melts Down To -25°C

AVAILABLE SIZES:

22.68 Kg Bag - CODE: S35082

MAG FLAKES

MAGNESIUM CHLORIDE FLAKES

MAG® is a high performance ice melter that is safer for people, pets, concrete, and the environment. Melts down to -25°C.

FEATURES & BENEFITS

- Fast Acting
- Pet Friendly
- Environmentally Friendly
- Safe To Use On Concrete
- Contains Magnesium
- White In Colour
- Melts Down To -25°C

AVAILABLE SIZES:

22.68 Kg Bag - CODE: S35081

PELADOW

CALCIUM CHLORIDE PELLET

PELADOW Calcium Chloride Pellet puts the heat on snow and ice with maximum efficiency.

PELADOW contains 90% Calcium Chloride, which penetrates ice up to 3 times faster than competing products and melts down to -32°C.

FEATURES & BENEFITS:

- Fast Acting
- Highly Concentration Penetrates Ice Up To 3 Times Faster
- Environmentally Friendly
- Safe To Use On Concrete
- White In Colour
- Melts Down To -32°C

AVAILABLE SIZES:

22.68 Kg Bag - CODE: S35084

ACCESSORIES

Now that you're equipped with the right material to ensure your safety, we also offer accessories to store the product and ease the way you apply the product in the most efficient, cost effective manner. We offer scoops, bins, and salt spreaders for your convenience.

YELLOW STORAGE BIN

ICE MELTER & ROCK SALT STORAGE BIN

Heavy duty industrial ice melter and rock salt storage bin. This bin's capacity is 375 LB (6 cu. ft.)

FEATURES & BENEFITS:

- Yellow In Colour
- Heavy Duty Construction
- 375 lb Capacity (6 cu. ft.)
- Easy Access
- Comes Ready To Use
- Perfect For Commercial, Residential & Industrial Use

AVAILABLE SIZES:

6 cu. ft. - CODE: S35091

BLUE STORAGE BIN

ICE MELTER & ROCK SALT STORAGE BIN

Heavy duty industrial ice melter and rock salt storage bin. This bin's capacity is 500 LB (10 cu. ft.)

FEATURES & BENEFITS:

- Blue In Colour
- Heavy Duty Construction
- 500 lb Capacity (10 cu. ft.)
- Easy Access
- Comes Ready To Use
- Perfect For Commercial, Residential & Industrial Use

AVAILABLE SIZES:

10 cu. ft. - CODE: S35092

BLUE SALT SCOOP

ICE MELTER & ROCK SALT HEAVY DUTY SCOOP

6.5" x 13" 1 gallon heavy duty industrial ice melter and rock salt scoop.

FEATURES & BENEFITS:

- Blue In Colour
- 8.3 lb Capacity
- Heavy Duty
- Easy Grip Handle
- Comes Ready To Use
- Perfect For Commercial, Residential & Industrial Use

AVAILABLE SIZES:

6.5" x 13" - CODE: S35093

EARTHWAY 2130 SPREADER

ICE MELTER AND ROCK SALT SPREADER

Heavy duty industrial Earthway high output broadcast spreader. This spreader load capacity can hold up to 175 LB and is rust proof.

FEATURES & BENEFITS:

- Blue In Colour
- Applies Both Rock Salt & Ice Melter with Ease
- Heavy Duty Construction
- Rust Proof
- 175 Lb Capacity
- Easy To Use
- Perfect For Commercial, Residential & Industrial Use

AVAILABLE SIZES:

175 lb cap. - CODE: S35094

VISION WINTER RINSE AWAY

ICE MELT RESIDUE REMOVER

VISION Winter Rinse Away is an excellent solution for removing stubborn residue left by winter traffic and ice melt products.

Perfect for use on carpets and floors including car floor mats.

FEATURES & BENEFITS:

- Eliminates Corrosion of All Salts When Used Regularly
- Eliminates Chemical Attacks On Floor Finishes
- Neutralizes Salt Build Up On Track-off Mats
- Helps To Prevent Corrosion of Door Pins & Metal Threshold Of Office Entrances
- Easy To Use (Mop On, Mop Off)
- Can Be Used In Auto Scrubbers.

AVAILABLE SIZES:

4 x 3.78 L - CODE: S34770

20 L - CODE: S34771
